The Rock Building at GES

About the 2010 course

The first ever CREATE 5K took place at Grayson's Tribble Mill Park in September 2009. Runners on that afternoon enjoyed a 3.1 mile course around beautiful Ozora Lake. The 2010 event course starts the 5K runners at the front of Grayson's 4-building campus, then winds them through nearby residential streets, with a return to the campus, where the runners will experience a unique finish under a covered walkway past GES's historic Rock Building!
