

**Grayson Elementary
Arts & Crafts Festival
Saturday, October 23, 2010
9:00 a.m. – 4:00 p.m.**

Place: Grayson Elementary
460 Grayson Parkway
Grayson, Ga. 30017
770-963-7189

Grayson Elementary is accepting applications for Arts and Crafts Vendors for the Fall Festival at Grayson Elementary School Saturday, October 23, 2010.

In order to maintain the integrity of a juried craft festival, Grayson Elementary is primarily interested in handmade crafts.

However, approximately 10% of our floor space will be reserved for non-juried exhibitors (items that are purchased by the exhibitor and then marked up for re-sale).

The booth spaces will be in the gymnasium. **Weather will not be a factor.**

Spaces will be **12' x 8'**. Electricity is available on a first come, first served basis for \$10.00.

There will be Friday night and Saturday morning set – up times available. EXHIBITOR MUST FOLLOW ALL PARKING PROCEDURES! After unloading exhibit materials and displays to the assigned location, Exhibitors must leave the unloading/loading area and park only in the assigned/designated area. Parking in the designated area is necessary to facilitate the loading and unloading of materials.

Our festival will be publicized in area newspapers, radio, local shops and businesses, community bulletin boards, and notices throughout the community.

Those interested in participating must fill out the application form and submit it along with entry fee and photos of all crafts to be exhibited. **No application will be accepted without pictures.**
